Dimensions can be customized

Peelboard!ULTRALEICHT

Dimension / Weight:

580 x 780 mm / 1,4 kg

580 x 980 mm / 1,7 kg

780 x 870 mm / 2,0 kg

Proofing Tray for feeding systems

- Smooth plastic surface.
- Can be used with few flour.
- Twin-wall sheet with all-round aluminium profile and polypropylene corner connectors. Therefore good edge protection and particularly light weight.
- Lies exactly flat and is very stable.

Material:

Surface: Polypropylene

Frame: Aluminium anodized

Corner connectors: Polypropylene

Durability

The peelboard remains stable and hygienically perfect.

- Dough pieces detach without residues.
- Particularly suitable for rustic pastries without flour decoration, eg.: Kassler, white bread, mediterranean pastries and many types of bread rolls as well as rustic pastries with flour decoration eg.: stone oven bread, mediterranean pastries, Baguette, Ciabatta, etc.

Easy cleaning and safe hygiene

- Requirements according to the food hygiene regulations are met to the maximum
- The Peelboard is dishwasher safe.
- Due to a short drying time the peelboard can be cleaned quickly and easily.
